AVAILABLE SERVICES

Our agency was established in 2005 when our directors and managing members decided to include insurance services for their clients. Our managing members and professional staff have over forty years combined experience in all aspects of insurance. Our mission at Allstar Insurance is to provide our clients with the finest insurance products available at the most competitive premiums possible.

**An Umbrella Type Of
Service Is Our
Commitment To You**

Our clients understand value and expect the best in personalized service. Our goal is to be your trusted insurance

advisors for all of your insurance needs. Allstar Insurance strives to accomplish this through innovative and efficient service, a strong, professional relationship with the insurance carriers and a profound understanding that our client's needs and concerns are our primary concerns as well. In addition, we have an office in Broward County to expand our presence in the tri-county area. We offer an umbrella type of service to our clients which include individuals, families, and business throughout the state of Florida. At our agency we insure commercial & personal lines on a direct or brokerage basis with companies such as Travelers, Hartford, Progressive Ins. Co.'s & Zurich Co.'s to name a few. At our offices we have a staff of individuals who are committed to the highest level of customer service.
